16 October 2017

Dear Parent/Carer

I am writing to you now that the summer examination results have been officially released on the GOV.UK website. It shows, as expected, that Newman's GCSE results were fantastic and came out well above national average in all of the key areas.

This has been an incredibly challenging couple of years for the school, as you are aware; you have been through the challenges with us. To see such results is a clear acknowledgement that the school is succeeding in so many ways and is delivering great outcomes for our students.

It is testament to the hard work of our staff and the commitment of our students. None of this could be achieved without the support of our parents and families.

If you want to look further at the results online, please use this link:

<https://www.compare-school-performance.service.gov.uk/schools-by-type?step=phase®ion=909&geographic=la&phase=secondary&for=secondary>

A copy of this letter will be on the homepage of our school website and you can follow the link from there.

Finally, I want to draw your attention to some outstanding A level results achieved this summer which are yet to be published, but are equally impressive across all subjects. These results allowed our students to move on to their chosen destinations, many of which are high quality courses at top universities.

As we move to the end of the first half term of this academic year, this is truly a time for all those connected with Newman to rightly celebrate these achievements.

Yours sincerely

J McAuley
Headteacher
