Please note that students are responsible for all of their own supplies and we cannot be held responsible for the loss of items. Items such as mobile phones, cameras and tablets are entirely optional. WIFI is not guaranteed where we are staying.

This list is not prescriptive and items are only suggestions. Students can bring what they like but they are responsible for the safety of their belongings and they will be carrying their luggage themselves.

More advice will be given on the amount of money to be taken in June. There is a long layover in the US so dollars will be needed.
